

MARINA HIGH SCHOOL
15871 SPRINGDALE ST., HUNTINGTON BEACH, CA 92649

September, 2026

Dear Prospective Donor:

Because you are a valued business and community leader, we are reaching out to you to ask for your support as we raise funds for our 2026-27 Marina Boys Soccer Campaign. More than ever, public schools offer very little monetary support for athletic programs, leaving the financial burden on the student athletes and their families. Generous donations from the community and local businesses provide the valuable additional support needed to make our program and its athletes successful. Our program benefits approximately 75 student athletes.

Our coaches and staff have kept the promise of ensuring our student athletes succeed in the classroom and on the field. According to numerous medical studies, physical exercise is good for the mind, body and spirit. Team sports help teach adolescents accountability, dedication, leadership and other skills that can ultimately benefit the community. You can help us continue to provide this benefit to both the student athletes and the community.

In December we have our annual Alumni game where past players come back to challenge our current players. It is always a great event. Any donation is appreciated. All donations are tax-deductible. We will proudly acknowledge your sponsorship at our event, on our website and on our social media account, and we will encourage our guests to patronize your business.

We ask you to join our efforts and help build our boys soccer program to ensure our athletes are given continued opportunities for growth and development.

With gratitude,

Jim Rice
