MARINA BOYS SOCCER

MHS BOYS SOCCER GAME DAY SPONSORSHIP AND BANNER FORM

The Marina High School Boys Soccer team is preparing for the upcoming 26-27 season and would like your support. Your sponsorship will help fund tournaments, uniforms, transportation and other needs to help facilitate a successful soccer season. Marina High School Athletic Programs bring many students, fans, and community members to the school and our soccer field which are used year-round by various community groups, which is a fantastic opportunity for your business to get noticed. Sponsorship will put a banner and/or A Frame by the Marina Stadium Turf/Track. A Frames will be displayed on game days and banners will remain on campus for the entire school year for all attendees to see.

To sponsor this initiative, you can e-mail or hand deliver this contract and payment to the requestor. After your artwork has been submitted and approved, our Fundraising Booster will contact you. Once complete we will have it ready for our game days.

DEADLINE TO SUPPORT IS NOVEMBER 1, 2026
